

ABSTRACT

A pressure-sensitive adhesive tape made of a flat support material provided with a pressure sensitive adhesive comprising a polymer formed from a monomer mixture of acrylic acid ester and/or methyl acrylic acid ester or free acids thereof of the formula $\text{CH}_2=\text{CH}(\text{R}_1)(\text{COOR}_2)$, acrylic acid ester and/or methyl acrylic acid ester having the formula $\text{CH}_2=\text{CH}(\text{R}_3)(\text{COOR}_4)$ and acrylic acid ester and/or methyl acrylic acid ester having the formula $\text{CH}_2=\text{CH}(\text{R}_3)(\text{COOR}_5)$.
